

## **GMST 369: Special Topics in Scandinavian Studies**

Are you a community member interested in taking this course?  
Choose one of the following three options

(1) Register as an exploratory student

N.B. You do not have to provide transcripts to register as an exploratory student.

However, you must:

Be at least 21 years of age

Meet UVic's English Language Proficiency Requirements

Not have been a UVic student in the past

Not have been required to withdraw from any post-secondary institution in the previous three years.

As an exploratory student you will only be able to take three units (approximately two classes) to a maximum of 12 units of coursework overall.

<https://www.uvic.ca/future-students/undergraduate/programs/exploratory-studies/index.php>

(2) Audit the course

Auditor registration is based on whether there is enough room in the class as students taking the course for credit receive priority. This means that auditors do not receive credit or a grade for the course, and their participation is decided by the professor.

The professor will also need to approve the auditor's request before the auditor is able to join the class. This is an option for individuals who are taking the course out of interest only or do not want to go through the entire application process. As an official auditor, you still need to pay for the course. However the price of tuition and fees is reduced.

(3) Become a regular UVic student
